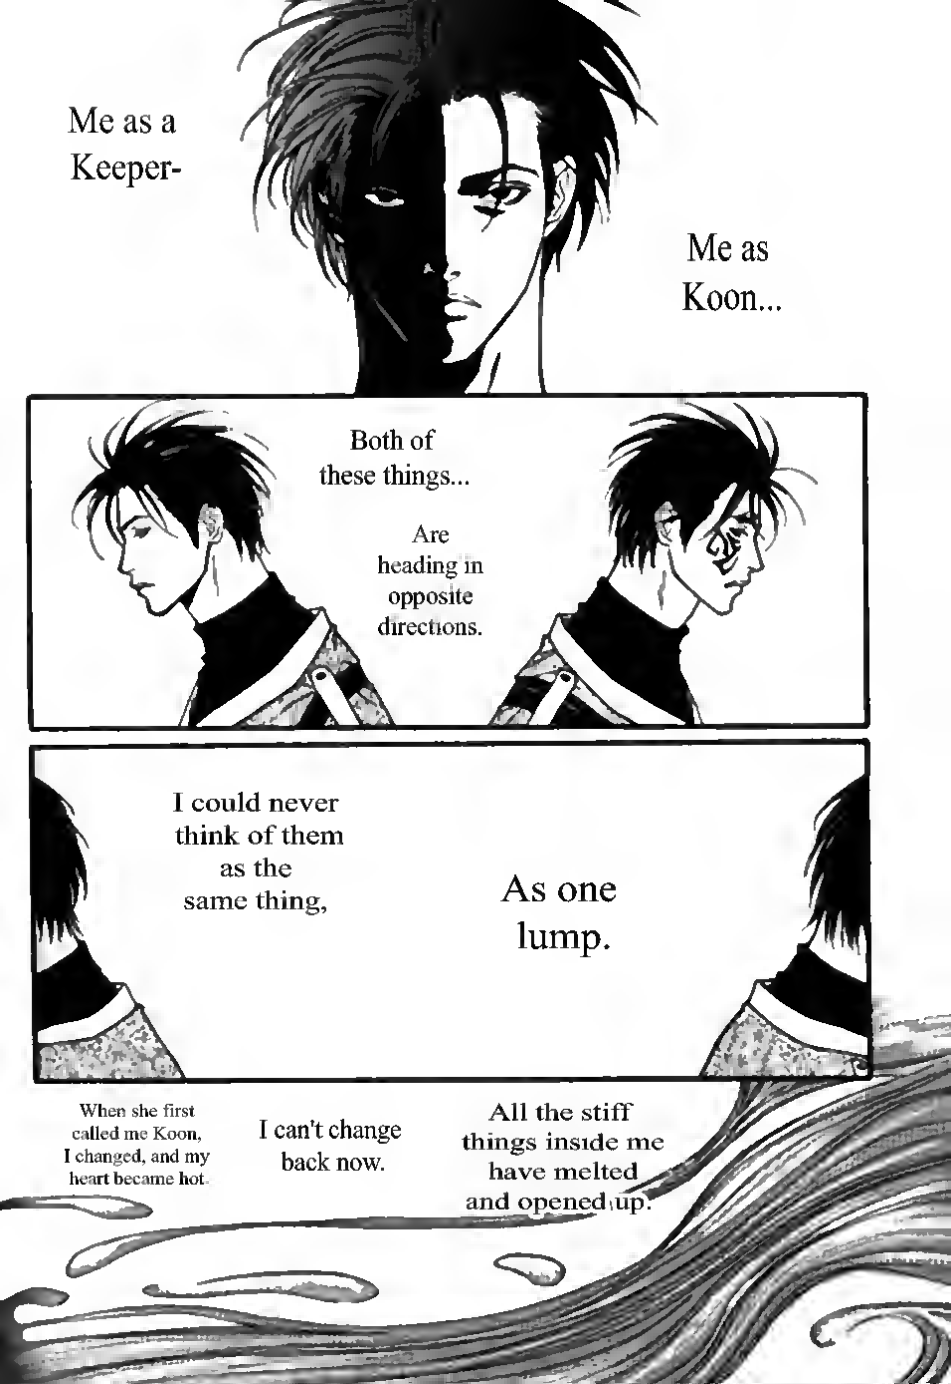
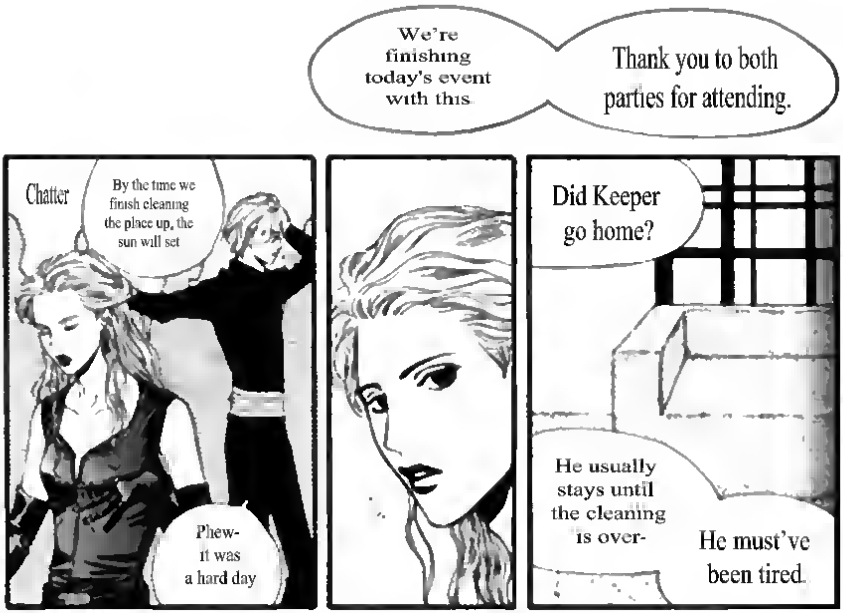
.....
You're acting strange these days
You act like you don't care about most things
Keeper.
Keeper? Are you listening?
...I'm sorry.
Are you sick?
If your body is sick, then the whole of Ember is ill as well. I don't have to tell you that
I'm not sick
Then it's okay.
But please take better care of yourself
Sanka...
I want to go meet Sanka.



Me as a Keeper-
Me as Koon...
Both of these things...
Are heading in opposite directions.
I could never think of them as the same thing,
As one lump.
When she first called me Koon, I changed, and my heart became hot.
I can't change back now.
All the stiff things inside me have melted and opened up.



We're finishing today's event with this
Thank you to both parties for attending.
Chatter
By the time we finish cleaning the place up, the sun will set
Phew- it was a hard day
Did Keeper go home?
He usually stays until the cleaning is over-
He must've been tired.

Sanka-
Sanka...?
.....
A cold breeze.

No.
No!
.....

She...left...?
Why-?!
Why...
Sanka?
.....

.....
I don't know if this will work in Nowhere without cobweb-
Whether it will work or not, this is the only way.

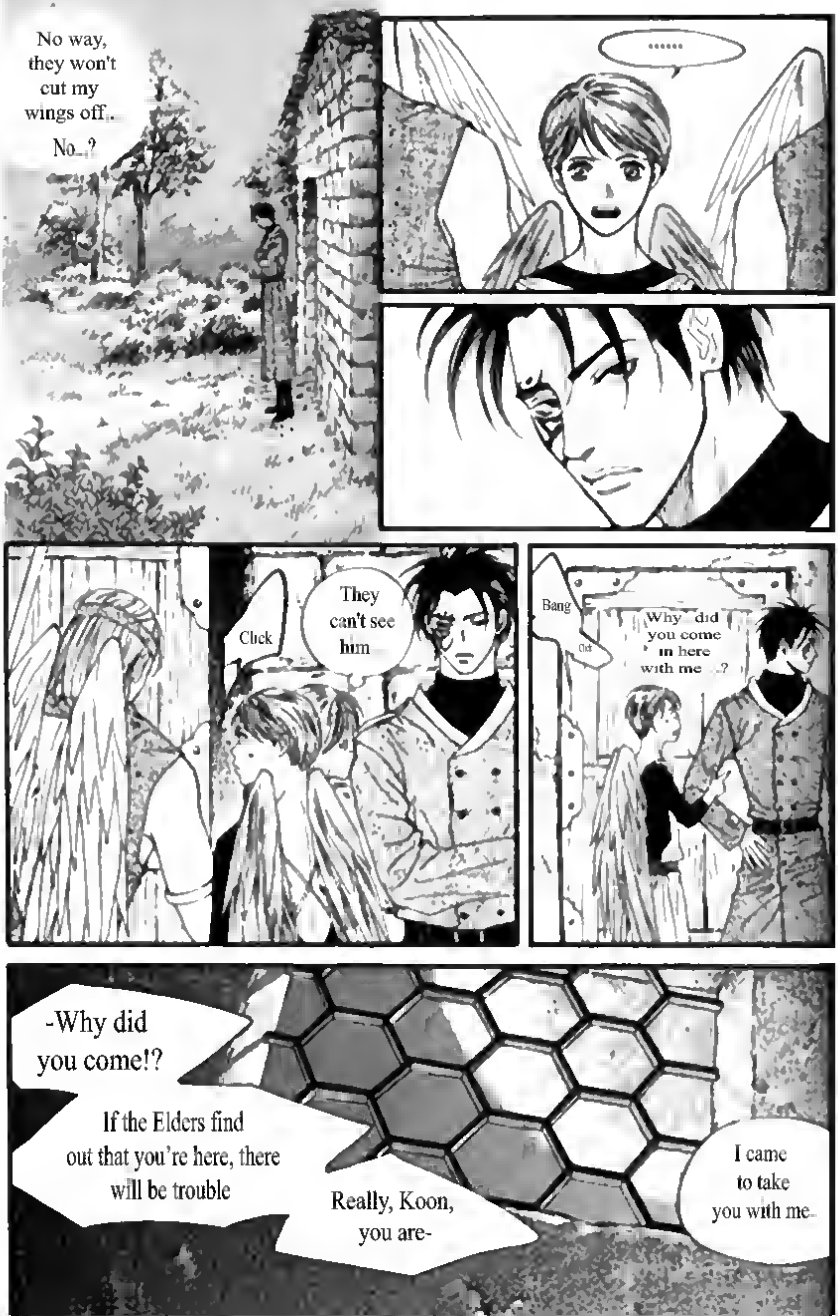
Existence without form, which kept its place by withstanding the dewdrops of life and dust of time after you were caught in the restraint of existence...
Please guide me to where your master of life energy is, who was with you, with her body.
.....
...There's no response.
It's moving ...slowly...
I don't know if it's guiding me... or just wandering around.

It's too slow. It's hard to follow it
...Well, I can't help but follow it.
We are leaving Nowhere now-
Sfx: Shine
!!
It worked ...!

We will decide what to do with you at the Elder meeting tomorrow.
You should cleanse your heart in the discipline room.

Yes, Great Elder.

Punishment What decision shall be made?
It would be okay if I was banished for a few years.



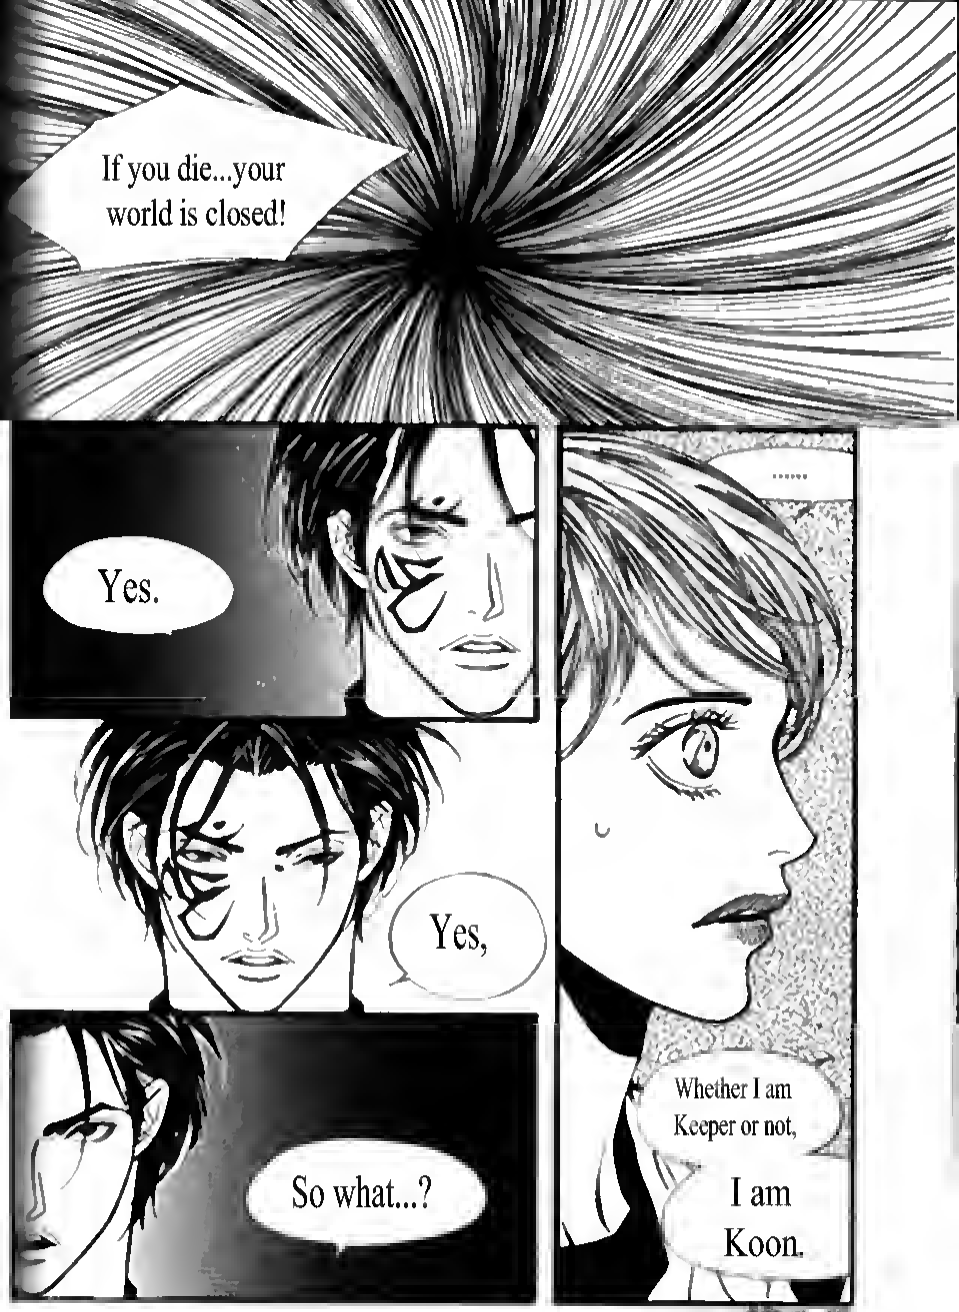
No way, they won't cut my wings off..
No..?
.....
They can't see him
Click
Bang
Out
Why did you come in here with me..?
-Why did you come!?
If the Elders find out that you're here, there will be trouble
Really, Koon, you are-
I came to take you with me.

.....
I have to have you.
If you're not with me, I might go crazy
Koon ...
...Anyway, you shouldn't be here.
Go home.
I don't want to do it alone
I can't go.
I went outside once and came back
My world is here.
Sanka!
Go back, Koon or something bad will happen
The Elders are very sensitive about people from other worlds
And you are-
?
My god, if they find out that I'm with you now, then I'm finished.
I should be exiled for sneaking out, and this on top of it.

Do you remember? I told you about a visitor from another world who was executed.
The Elders never forgive people from other worlds You'll be in danger.
Why ...
Why did you leave suddenly without saying anything?
!
You are...
To me, you are...
I am...
Did you think me so easy?
Was I .. someone like that to you?
Koon,

I liked... seeing you.
I won't forget you.
But... don't come here again.
I won't visit you anyway-
This will be our last meeting.
...Goodbye.
You can leave the discipline room, which is locked from outside?
You have lots of mysterious skills.

..Let's swear a vow as soulmates.
What..do you mean?
Are you crazy?
Do you know what that is?
You told me.
That is a vow..to swear your life.
You are..a Keeper.



If you die...your world is closed!
Yes.
Yes,
So what...?
.....
Whether I am Keeper or not,
I am Koon.

And Koon...
Can't live without you.
You shouldn't ignore it, Sanka.
You...woke Koon up.

Let's go to .another world, just two of us.
Koon ...
Koon ...
A world where we both don't belong,
So we could just belong to each other

Haha...
I didn't know that the discipline room would be my bridal room.
That s more surprising to me than the fact that my soulmate is from another world
Hahahahaha
....
The reason why the Elders are afraid of people from other world is-
There's a prophecy which says that our world will end because of a person from another world
I was scared
You as a Keeper was too much for me...
You are a closer of worlds as well That /mark/ has such power... when I heard that you have the power to close other world too, I felt like my heart was shrinking in fear
Who said something useless like that?
I thought that I had to stay away- I had to leave you...
I knew that I could never leave you when I saw your face-

So finally- I thought that I'd get used to the fact that you are a closer...
I couldn't stay there anymore.
If I ran away like that, I thought that you could never find me...
I thought that a first grade mage was a joke, and not skillful
Hahaha
.....
Closer is a shadow of a Keeper
But as far as I know, no Keeper has closed another world.
Keeper exists to keep Ember from being closed.
...So the /mark/ can actually close another world.
It's probably true,
But a person who maintains the life and keep something alive.. if he closes another world, that goes against his nature

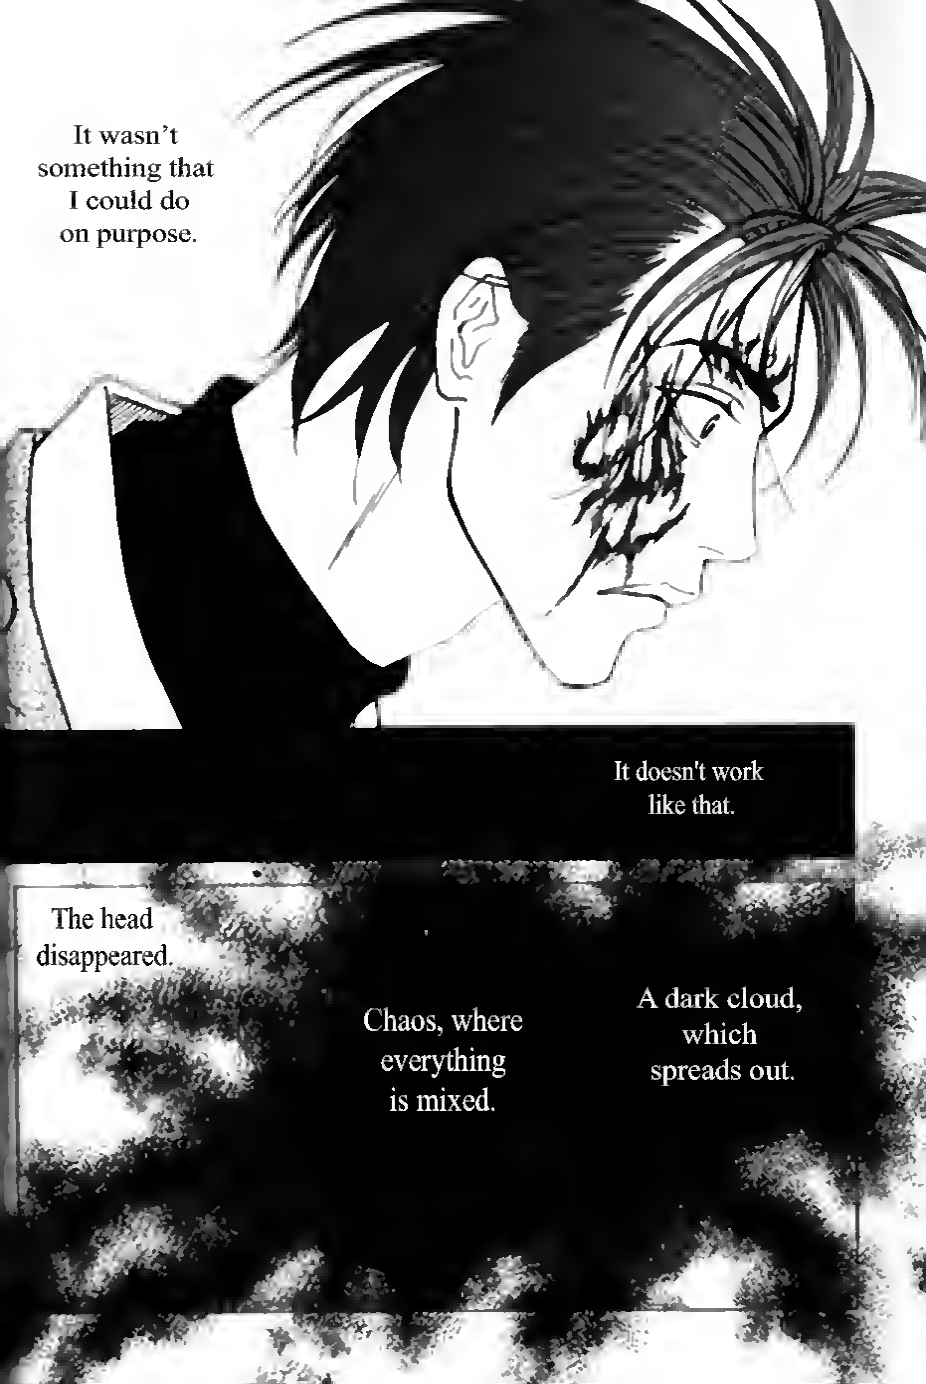
I like your hair
Then you won't do it because you don't feel like it?
I like yours too
Yes, I don't think it will be possible, even if I try to do it.
Maybe...
If Keeper dies with /mark/ Ember will die.
Maybe that's the true reason why the Keeper is the closer.
.....
Let's leave... before the sunrise...
Yeah.
Where should we go?
Well...
It doesn't matter where,
As long as we can be together.

Sanka...?
Dawn... already...
.....

If I hide myself,
I can go outside.

...Young and careless Sanka ..
..She brought this on herself.
I told her many times.

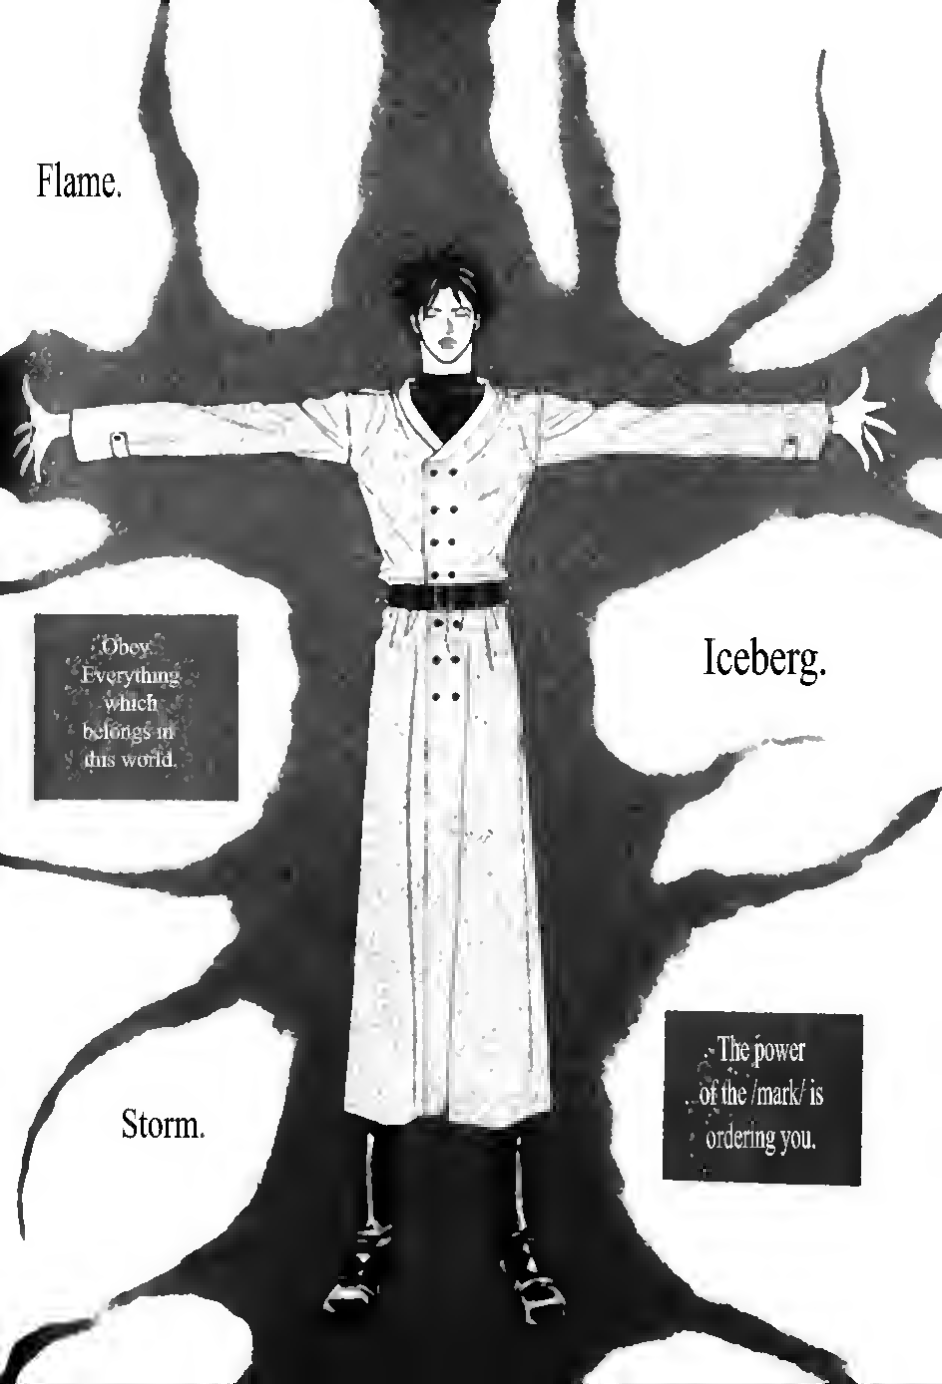
The result of meeting a person from another world while on probation is death
She was lethally careless
He's from another world!
An outsider!
...When I thought about it later,



It wasn't something that I could do on purpose.
It doesn't work like that.
The head disappeared.
Chaos, where everything is mixed.
A dark cloud, which spreads out.

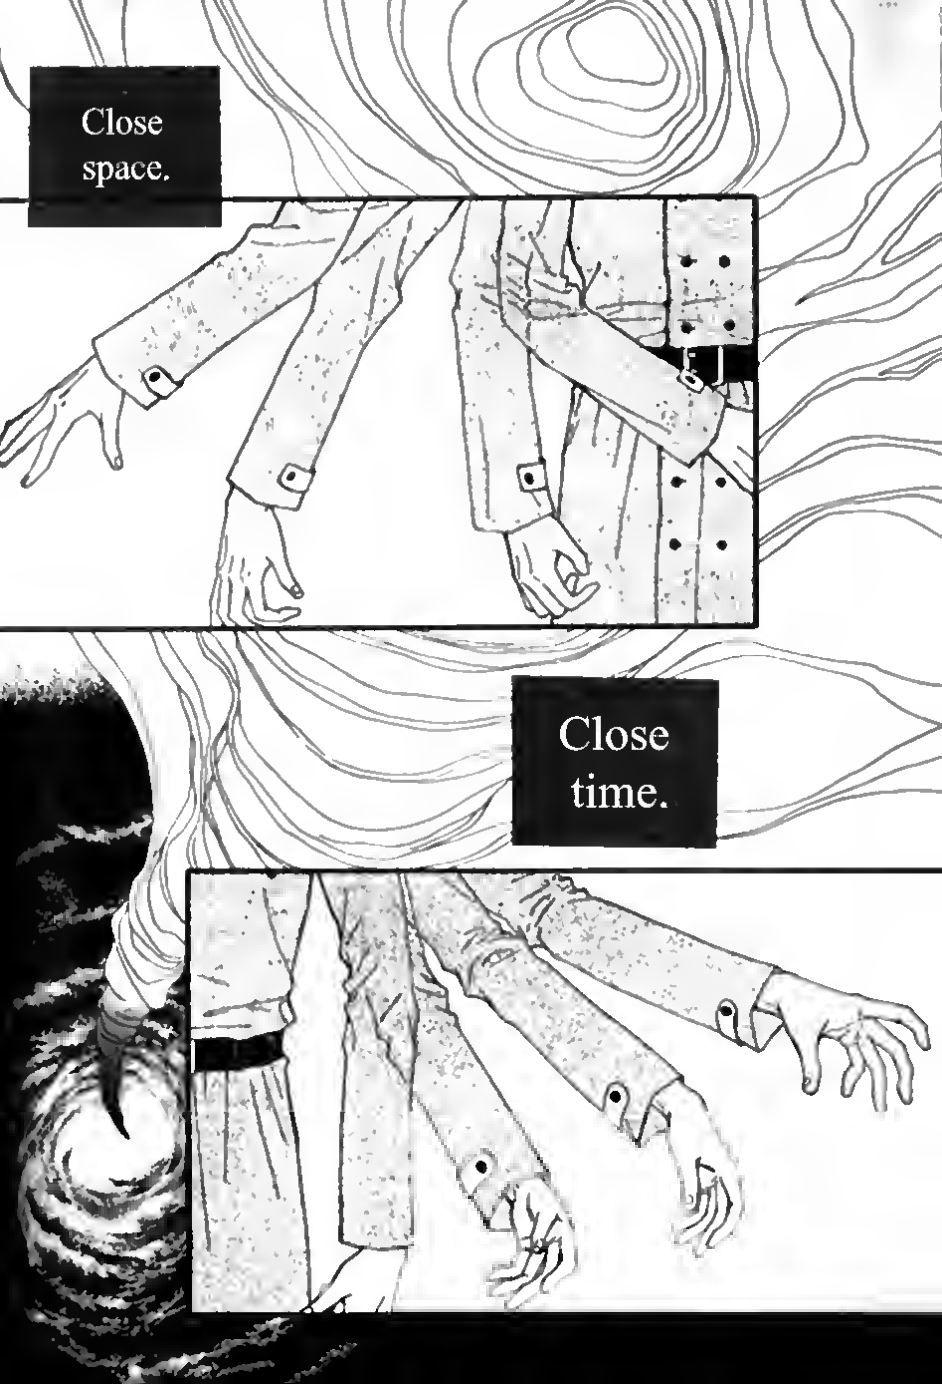
. Black Out.

I wanted to destroy this world, which had people who killed her on it.
I want to destroy it. I want to destroy it. I want to destroy it. I want to destroy it. Something is shouting at me from my insides, like my ears are becoming numb.
Something scary which was hidden inside my body.
Not the head, which was raised as a Keeper since I was young...
Some different part.



Flame.
Obey. Everything which belongs in this world.
Iceberg.
Storm.
The power of the /mark/ is ordering you.

Close
life.
Close your
existence.



Close space.
Close time.

All the things which are upon will be chaff.
No trace will remain.
Yes.

I did-
Close that world.

...I
see.

Keeper,
Closer
I will ask you to give the /mark/ to me
I challenge you
